Southwestern Michigan is easy to get to and hard to forget. Join us we discover some of the abundant activities available so near to us. Our first stop will be in Eau Claire at the orchards of **Tree-Mendous Fruit**, a 450-acre working fruit farm, recreation area and nature preserve. A step-on guide will join us to tell about the farm, its geology, history and why this northern latitude can raise so many fine fruits and vegetables. You will then be able to pick some of the delicious peaches grown here (*additional charge for picking, based on weight*). You may purchase peaches, other fresh fruits and vegetables, or specialty items in the Tree-House Country Store.

Our next stop will be in Buchanan at **Tabor Hill Winery and Restaurant**. Food and wine . . . a brilliant combination! We begin our visit here with a relaxing, fine dining experience in their restaurant. You will enjoy stunning panoramic views of the vineyards in a casual country setting. Choose from: Vegetable Wellington; Puff pastry filled with sautéed vegetables; Pecan Crusted Raspberry Chicken served with a sweet-tart raspberry sauce or Petite Filet, 5 oz medallion grilled and served with mushrooms (served medium rare). ***Please indicate your entrée selection on your reservation form.***

After lunch we take a tour through the vineyards and cellars. Nearly 40 years ago Tabor Hill was the first to discover this land could grow grapes. Ever since, Tabor Hill artisans have produced exceptional, distinctive wines. There will be time to sample the unique taste of Michigan's premium wines with their award-winning selections.
