

# FUTURE RETIREMENT RISK QUESTIONNAIRE

The following questionnaire has been designed to help you begin the planning process. Circle the number associated with the answer that best describes your situation.

<p><b>What is your current age?</b></p> <table style="width: 100%; border: none;"> <tr><td>Over 65</td><td style="text-align: right;">0</td></tr> <tr><td>51-65</td><td style="text-align: right;">1</td></tr> <tr><td>36-50</td><td style="text-align: right;">3</td></tr> <tr><td>Under 36</td><td style="text-align: right;">5</td></tr> </table>	Over 65	0	51-65	1	36-50	3	Under 36	5	<p><b>How much do you expect your household income to change in the next few years?</b></p> <table style="width: 100%; border: none;"> <tr><td>I expect it to decrease</td><td style="text-align: right;">1</td></tr> <tr><td>I expect it to be unchanged</td><td style="text-align: right;">2</td></tr> <tr><td>I expect it to increase moderately</td><td style="text-align: right;">3</td></tr> <tr><td>I expect it to increase dramatically</td><td style="text-align: right;">4</td></tr> </table>	I expect it to decrease	1	I expect it to be unchanged	2	I expect it to increase moderately	3	I expect it to increase dramatically	4
Over 65	0																
51-65	1																
36-50	3																
Under 36	5																
I expect it to decrease	1																
I expect it to be unchanged	2																
I expect it to increase moderately	3																
I expect it to increase dramatically	4																
<p><b>When do you plan to begin taking distributions from an IRA or 401K?</b></p> <table style="width: 100%; border: none;"> <tr><td>Within 3 years</td><td style="text-align: right;">1</td></tr> <tr><td>Between 3 and 5 years</td><td style="text-align: right;">2</td></tr> <tr><td>Between 5 and 15 years</td><td style="text-align: right;">3</td></tr> <tr><td>More than 15 years</td><td style="text-align: right;">4</td></tr> </table>	Within 3 years	1	Between 3 and 5 years	2	Between 5 and 15 years	3	More than 15 years	4	<p><b>Do you own a home?</b></p> <table style="width: 100%; border: none;"> <tr><td>No</td><td style="text-align: right;">0</td></tr> <tr><td>Yes, I own 25%</td><td style="text-align: right;">1</td></tr> <tr><td>Yes, I own 50%</td><td style="text-align: right;">2</td></tr> <tr><td>Yes, I own 100%</td><td style="text-align: right;">3</td></tr> </table>	No	0	Yes, I own 25%	1	Yes, I own 50%	2	Yes, I own 100%	3
Within 3 years	1																
Between 3 and 5 years	2																
Between 5 and 15 years	3																
More than 15 years	4																
No	0																
Yes, I own 25%	1																
Yes, I own 50%	2																
Yes, I own 100%	3																
<p><b>Over what time period do you judge investment performance?</b></p> <table style="width: 100%; border: none;"> <tr><td>Monthly</td><td style="text-align: right;">1</td></tr> <tr><td>Quarterly</td><td style="text-align: right;">2</td></tr> <tr><td>Annually</td><td style="text-align: right;">3</td></tr> <tr><td>Over 5 years</td><td style="text-align: right;">4</td></tr> </table>	Monthly	1	Quarterly	2	Annually	3	Over 5 years	4	<p><b>How much do you expect your investments to attain annually?</b></p> <table style="width: 100%; border: none;"> <tr><td>2 - 4 %</td><td style="text-align: right;">1</td></tr> <tr><td>4 - 6%</td><td style="text-align: right;">2</td></tr> <tr><td>6 - 9%</td><td style="text-align: right;">3</td></tr> <tr><td>More than 9%</td><td style="text-align: right;">4</td></tr> </table>	2 - 4 %	1	4 - 6%	2	6 - 9%	3	More than 9%	4
Monthly	1																
Quarterly	2																
Annually	3																
Over 5 years	4																
2 - 4 %	1																
4 - 6%	2																
6 - 9%	3																
More than 9%	4																
<p><b>What percentage of your retirement spending do you expect to be covered by a pension, Social Security, benefits, and/or other funds?</b></p> <table style="width: 100%; border: none;"> <tr><td>Less than 25%</td><td style="text-align: right;">0</td></tr> <tr><td>Between 26% and 50%</td><td style="text-align: right;">1</td></tr> <tr><td>Between 51% and 75%</td><td style="text-align: right;">2</td></tr> <tr><td>More than 75%</td><td style="text-align: right;">3</td></tr> </table>	Less than 25%	0	Between 26% and 50%	1	Between 51% and 75%	2	More than 75%	3	<p><b>Which statement best describes you?</b></p> <p><i>I would:</i></p> <table style="width: 100%; border: none;"> <tr><td>Keep my retirement assets safe and wait longer to retire</td><td style="text-align: right;">1</td></tr> <tr><td>Place some of my retirement assets in more volatile investments if it meant I could potentially retire earlier</td><td style="text-align: right;">2</td></tr> <tr><td>Place most of my retirement assets in more volatile investments if it meant I could potentially retire earlier</td><td style="text-align: right;">3</td></tr> <tr><td>Retire as soon as possible and to invest in vehicles with significant risk</td><td style="text-align: right;">4</td></tr> </table>	Keep my retirement assets safe and wait longer to retire	1	Place some of my retirement assets in more volatile investments if it meant I could potentially retire earlier	2	Place most of my retirement assets in more volatile investments if it meant I could potentially retire earlier	3	Retire as soon as possible and to invest in vehicles with significant risk	4
Less than 25%	0																
Between 26% and 50%	1																
Between 51% and 75%	2																
More than 75%	3																
Keep my retirement assets safe and wait longer to retire	1																
Place some of my retirement assets in more volatile investments if it meant I could potentially retire earlier	2																
Place most of my retirement assets in more volatile investments if it meant I could potentially retire earlier	3																
Retire as soon as possible and to invest in vehicles with significant risk	4																
<p><b>Of the following groups of investments, which have you typically purchased in the past or would you consider purchasing? (Check all that apply)</b></p> <table style="width: 100%; border: none;"> <tr><td>Bank CDs, T-Bills, Bonds</td><td style="text-align: right;">1</td></tr> <tr><td>Balanced (fixed-income and equities)</td><td style="text-align: right;">2</td></tr> <tr><td>Equities (blue chip Fortune 500 companies)</td><td style="text-align: right;">3</td></tr> <tr><td>Equities (international and small stocks)</td><td style="text-align: right;">4</td></tr> </table>	Bank CDs, T-Bills, Bonds	1	Balanced (fixed-income and equities)	2	Equities (blue chip Fortune 500 companies)	3	Equities (international and small stocks)	4	<p><b>If you invested \$100,000 and shortly thereafter the market declined, at what point would you liquidate and move to a more stable investment?</b></p> <table style="width: 100%; border: none;"> <tr><td>Immediately</td><td style="text-align: right;">1</td></tr> <tr><td>At \$90,000</td><td style="text-align: right;">2</td></tr> <tr><td>At \$75,000</td><td style="text-align: right;">3</td></tr> <tr><td>I would not sell and would wait for the market to turnaround regardless of the losses</td><td style="text-align: right;">4</td></tr> </table>	Immediately	1	At \$90,000	2	At \$75,000	3	I would not sell and would wait for the market to turnaround regardless of the losses	4
Bank CDs, T-Bills, Bonds	1																
Balanced (fixed-income and equities)	2																
Equities (blue chip Fortune 500 companies)	3																
Equities (international and small stocks)	4																
Immediately	1																
At \$90,000	2																
At \$75,000	3																
I would not sell and would wait for the market to turnaround regardless of the losses	4																

## SCORING

To compute your score, add all of the circled numbers together and refer to the range on the right to determine a suggested model portfolio. The Portfolio Mixes presented are a guide to investing and should not be considered investment advice. You may choose to allocate your assets based on these portfolio illustrations or design a portfolio mix of your own. Your investment professional can provide details regarding the specific allocation of these Portfolio Mixes. In applying any particular asset allocation model to your individual situation, you should consider all of your assets, income and investments.

**TOTAL SCORE** \_\_\_\_\_

SCORE	PORTFOLIO MIX
7-10	INCOME
11-15	INCOME & GROWTH
16-22	BALANCED
23-29	GROWTH & INCOME
30-35	GROWTH
36-39	AGGRESSIVE GROWTH

## DISCLOSURE

An investor should consider the investment objectives, risks, charges and expenses of the Funds carefully before investing. This and other information about Accessor Funds is contained in the current prospectus. To obtain a free prospectus, please contact Accessor Funds at (800) 759-3504, P.O. Box 1748, Seattle, WA 98111-1748 or visit [www.accessor.com](http://www.accessor.com). Please read the prospectus carefully before you invest or send money.

The asset allocated models are suggested investment portfolios and are not mutual funds. The Accessor<sup>®</sup> Funds used in the models are the Growth, Value, Small to Mid Cap, International Equity, High Yield Bond, Intermediate Fixed-Income, Short-Intermediate Fixed-Income, Mortgage Securities and U.S. Government Money Funds. The Accessor Funds are mutual funds and are managed and administered by Accessor Capital Management LP. Mutual funds, including shares of Accessor Funds, Inc. are not bank deposits, are not insured by the FDIC, the Federal Reserve Board or any other governmental agency and are not obligations of, endorsed or guaranteed by any bank, and involve investment risks, including the possible loss of the principal amount invested. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Through separate prospectuses, Accessor Funds, Inc. offers multiple classes of shares. Each class has different expenses that would affect performance. There is no assurance that the individual Funds or asset-allocated models will meet their objectives.

NOT FDIC INSURED - NO BANK GUARANTEE - MAY LOSE VALUE
