

CENTIER BANK - SCHRAGE FAMILY SCHOLARSHIP FOUNDATION

About the Scholarship

The Schrage Family Scholarship Foundation was established in 1995 in recognition of Centier Bank's Centennial Anniversary and its founder, Henry Schrage. It also reaffirms Centier Bank's commitment to the families and communities it serves.

The scholarship rewards academic achievement, as well as school and community leadership, and is a \$2,000 award. Funds will be distributed in \$500 payments per year each August for four consecutive years, providing that the student achieves a GPA of 3.0 (based on a 4.0 scale) each semester. If the student's GPA falls below 3.0 at any time or if he/she fails to return to school, the scholarship will be terminated. Note: Special consideration may be made for students who take part in internship programs. Students will be required to submit their grades to Centier Bank at the end of each school year and communicate openly to Centier Bank regarding any changes in their scholastic involvement (i.e. switching schools, internship programs, etc.). Any failure to meet these conditions may result in termination of the scholarship.

Scholarship Banquet

In June of each year, Centier Bank will sponsor a scholarship banquet for Schrage Scholarship recipients, their parents or guardians, and the student's choice of his or her most influential teacher. A representative of either the Schrage family or Centier Bank will present the scholarship at the school's annual awards ceremony or commencement celebration.

Summer Employment

Scholarship recipients will be given preference for summertime employment at Centier, based on the Bank's needs at that time. Those recipients with prior Centier experience will be given first preference. Compensation, hours, duties, location and other related employment issues will be under the same terms as would be applicable with any other part-time or summer employee.
