

Painting with a Purpose:

Learn to save, spend and be charitable!

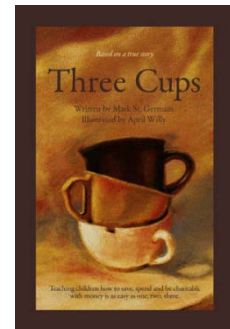

Sponsored by Centier Bank and the Girl Scouts

Spend the evening with *Three Cups* contributor Tony Townsley, along with the book's illustrator, April Willy. Have fun as you take part in this interactive read-along, and learn the importance of reading, saving, spending and being charitable. You will also get to participate in a hands-on project! Girls will need to wear "old clothes," or bring a smock for a painting activity. Each girl will receive their very own autographed copy of the book, *Three Cups*, and receive a fun patch!
